

TRAN MINH TU TRUNG

DATA ENGINEER

ABOUT ME

- I am a studious and ambitious person willing to learn to improve my knowledge and skills. At present, I have an adequate amount of knowledge of C#, SQL, Oracle, Python, R, Docker. In addition, I also research Distributed Systems such as Apache Hadoop, Spark, Hive, Pig. I want to become a senior Data Engineer.
- I am looking forward to working permanently in an environment which has teamwork.
- Furthermore, in the case that the job requires English communication qualification, I am capable of using English in communication at intermediate level in order to meet up with the demand.
